### Windows 7 is here.

The Tech Spot makes the transition simple.

#### What To Do

Just bring your computer, power adapter and a credit card to The Tech Spot office. We'll help you purchase a license for Windows 7 (Professional or Home Premium) for **\$29.99** at [www.win741.com](http://www.win741.com). After that, we'll check in your computer and take care of the rest. Let our staff know if you'd like an **upgrade** or a **clean install** of Windows 7. We'll even back up your documents, movies, photos and music at no additional cost.

\$25 to Install + \$29.99 for Windows: **\$54.99 (plus tax)**
